AI SUMMIT

FRIDAY, MAY 2ND, 2025

9:00 AM - 2:00PM AT 240 PINE RIDGE RD., BUFFALO

[RSVP HERE](#)

Keynote Speaker: Adam Balwant, CEO & Co-Founder of trAIlify

Adam Balwant, a distinguished AI expert and educator, will kick off the summit with his visionary insights. With a BBA from the University of Toronto and a Master's in Management Information Systems from The London School of Economics, Adam's experience spans AI consulting, entrepreneurship, and digital innovation education.

Adam will kick off the summit with a keynote address titled "**The Impact of AI on the Education Sector: Benefits, Challenges, & Outlook.**" His talk will explore how AI is transforming personalized education, delve into the advancements of AI-driven tutoring systems and predictive analytics, and address the crucial ethical considerations associated with AI-enhanced learning environments.

Panel Discussion: Explore key AI topics with Adam Balwant, Tom Patros from Red Argyle, and other industry leaders as they discuss the implications of AI in today's education and career landscapes.

Breakout Sessions: Engage deeply with specialized breakout sessions covering personalized AI education systems, innovative curriculum design, educator preparation in AI integration, AI-driven educational administration, and ethical considerations in AI implementation.

Additionally, sessions such as "Lay of the Land: Concepts, Patterns and Emerging Tools in your AI Landscape," "Faster! How to 10x your organization's productivity and efficiency," and "Humans and Robots: Using AI Growth for Human Intelligence (HI) Growth" will provide practical insights and strategies tailored to non-profits, education, and small businesses.
